

Position Announcement

Procurement Manager (Riverside, MO)

March 2018

Join and help build [Orange EV](#), a young, fast-growing manufacturer that's become an industry leader, building industrial-strength electric vehicles that are better for the earth, people and bottom line. Orange EV's T-Series pure-electric terminal truck (aka hostler, spotter, yard tractor, etc.) is the first commercially available electric truck of its type, doing the same job as diesels while eliminating the diesel fuel and emissions. As Orange EV grows, early team members will be favorably positioned to grow into higher levels of responsibility.

Orange EV is seeking a Procurement Manager for the Riverside, MO location.

Position Summary

The Procurement Manager is responsible for managing and overseeing all purchasing activities and establishes strategic purchasing processes. This position maintains relationships with vendors or suppliers and negotiates contracts for major purchases. The incumbent will evaluate and analyze purchasing and price trends to identify forecasting demand and minimize purchasing costs.

Position Qualifications

- Be excited about joining and helping build a young, fast growing company
- Knowledge of principles and processes for providing superior customer service
- Analytical approach to problem solving
- Ability to handle many functions at one time and adjust to rapidly changing priorities and schedules
- Ability to set and prioritize goals and achieve them per a schedule
- Knowledge of computer word processing systems
- Ability to articulate clearly when writing including composition, spelling and punctuation
- Key Traits: positive can-do attitude, leadership, initiative, maturity, dedication and punctuality
- Education/Experience: 3-5 years of experience in procurement role in a manufacturing environment, and bachelor's degree in a business-related field

Ideal Candidates May Also Have

- Strong IT / systems background
- Experience implementing procurement systems
- Previous supervisory experience
