

Job Title: Systems Engineer

A fast-growing company in the Commercial Vehicle sector is looking for an experienced Systems Engineer to help develop our next generation of products.

Job Description: Systems Engineer with a passion for product design and development and a proven track record of design, development, and launch of innovative and robust components and systems. Candidate is skilled at creating and translating system and subsystem level product requirements into solutions, including mechanical and electrical best practices and a history of delivering functionality, reliability, and technical innovation.

About the Role: You will help distinguish our company with expertise, integrity, and professionalism to create products that exceed customer expectations. Among the responsibilities of the role are:

- Design, development, and launch of New Variant and Major Systems Upgrades for the complete, fully electric vehicle.
- Continuous improvement including feature performance and customer satisfaction actions
- System level requirements and design validation plan & report.
- Project Management
- Innovation and technology roadmap development
- Working integrally with the broader engineering team
- Hands on collaboration with Manufacturing and Procurement Team Members
- Hands on collaboration with key suppliers
-
- Qualifications:
- BS ME or EE, MS ME or EE Preferred
- Minimum 10 years in Mechanical Component & Systems design & development
- Minimum 3 years in a Systems Engineering role
- Excellent verbal and written communication

- Strong project management skills, with excellent follow-up skills
- Problem solver – adept at troubleshooting and resolving issues
- Detailed-orientated
- Strategic thinker
- Proficient in Autodesk Inventor
- Proficient with Microsoft Office applications: Word, Excel, and Outlook.
- Experience working in Manufacturing and/or Distribution industries preferred.
Knowledge and/or experience in the vehicle industry a plus.

Other Information:

- Medical, Dental, Vision, Life, and 401K
- Vacation and Sick Pay
