

PURPOSE-BUILT FOR PORT & RAIL

ALL-NEW ELECTRIC YARD TRUCKS FROM A PROVEN NAME IN COMMERCIAL EVS.

MEET YOUR ZERO EMISSIONS REQUIREMENTS. WITH THE PERFORMANCE YOU REQUESTED.

Enhanced acceleration. Added pulling potential. A battery that can finish every shift. HUSK-e Series trucks have everything your worksite needs. They're designed to make your decision to go electric easier, too. Orange EV trucks are backed by **14 million+** miles of real-world electric operation – and have averaged more than **98% uptime**.

DESIGNED FOR MORE POWER, ACCELERATION & BATTERY CAPACITY.
