EVER. PERIOD.***

DIESEL DOWNTIME is draining
your bottom line —
WHY KEEP PAYING FOR IT?

	DIESEL YARD TRUCK	THE ORANGE EV DIFFERENCE
Major Warranty Coverage	2 years or 6,000 hours, typically	7.5 years, 30,000 hours, covers parts & labor when serviced by Orange EV
Battery Coverage	N/A; high engine/truck replacement costs	7.5 years
Uptime & Reliability	Frequent downtime	Over 97% fleet uptime average
Repair Costs	Repairs add significant costs	Up to 80% less, plus warranty covers repairs
Preventative Maintenance	Higher cost & takes 5-6 hours	Only 2 hours to complete; Orange EV provides PMs
Fuel Costs	\$25K-\$60K per year	85% less expensive than diesel
Driver Experience	High turnover; increased hiring costs	Driver-preferred; attract & retain top talent

*Warranty is subject to restrictions and limitations as detailed in Orange EV's warranty document
