

PURPOSE-BUILT FOR YOUR SITE'S NEEDS

PROVEN AND PREFERRED BY MANAGERS AND DRIVERS ALIKE

**MEET YOUR ZERO EMISSIONS GOALS
WITH THE PERFORMANCE
YOU DEMAND.**

Cost Savings: Electric yard dogs and chargers reduce fuel and maintenance costs, boosting overall profitability.

Reliability and Uptime: Dependable performance ensures minimal operational disruptions with consistently high uptime.

Environmental Impact: Zero emissions from pure-electric yard trucks improve air quality and sustainability.

**DESIGNED FOR MORE POWER,
ACCELERATION & BATTERY CAPACITY.**
