

100% ELECTRIC YARD TRUCK RENTAL PROGRAM

A BETTER RENTAL EXPERIENCE

**Less Expensive, More Reliable, Safer,
Faster Service, and Zero Emissions**

The Orange EV Rental Program is available nationwide. Flexible monthly rental plans with short- or long-term options are customized to your budget and requirements. Our complete turnkey EV solution includes trucks, charging, and training.

Built for You

Offering a range of configurations, we design each truck to meet site-specific requirements while managing cost.

Increase Uptime

Increase yard utilization and efficiency. With more reliable trucks, Orange EV customers experience nearly 99% uptime compared to diesel.

Better for Drivers

The truck of choice for drivers, Orange EV equipment is safer, cooler, smoother, quieter, and cleaner to operate.
